

Dear Caseworker,

We are pleased to introduce you to [Sing and Speak 4 Kids](#) (SS4Kids), an online evidence-based music language program that supports young children with delayed speech development. It's a fun, interactive game for kids 3 years of age and up. You are receiving this letter because your Regional Center has authorized our program for your clients as Social Recreation, Individual or Family Training (102).

SS4Kids helps to build verbal communication skills through song and gameplay. We recommend that parents play SS4Kids with their child a minimum of 3 times a week for 5-15 minutes to reinforce vocabulary acquisition, generalization, and socialization. It's an engaging activity for the whole family!

IMPORTANT: In order for parents/caregivers to receive SS4Kids free, we need to send them a sponsored coupon code to their email address before they can register for SS4Kids. Please work with the parent/caregiver to fill out [this form](#) with their basic information or simply, send us the parents'/caregivers' email address. Thank you!

In this email, you'll find:

- Registration Steps for Parents
- SS4Kids Contact Information
- PDF flyers to display
- PDF information trifolds for your clients
- [Our Training Center Website link](#) that helps you serve your clients
- Coming soon: SS4Kids monthly introduction webinars for caseworkers

Thank you for the work you do for children and their families! Please reach out to us with any questions.

Sincerely,

The Sing and Speak 4 Kids Team

REGISTRATION STEPS FOR PARENTS

IMPORTANT: Authorized WRC Parents need to receive from vendor iQsonics via email their SS4Kids coupon code **BEFORE** registering. If parent has not received their coupon code, please contact SS4Kids@iQsonics.com **BEFORE** registering.*

What is SS4Kids?

Sing and Speak 4 Kids (SS4Kids) is a clinically tested music therapy that promotes the development of children ages 18 months through 7 years who struggle with delayed speech.

SS4Kids is evidence-based and is played three times a week for only 10 minutes a day! Parents and professionals are encouraged to play with children.

SS4Kids reinforces vocabulary words and generalization and socialization in children's environments.

Who May Benefit:

- ✓ Any child who has delayed speech
- ✓ Autism Spectrum Disorder
- ✓ Down Syndrome
- ✓ Intellectual Disabilities
- ✓ Dual Language Learners

SingandSpeak4Kids.com

¿Qué es SS4kids?

Sing and Speak 4 Kids (SS4KIDS) es una musicoterapia clínicamente probada que promueve el desarrollo de niños de 18 meses a 7 años que luchan con un discurso retrasado.

SS4KIDS se basa en la evidencia y se juega tres veces cada semana por solo 10 minutos al día. Animamos a los padres y profesionales a jugar con niños.

SS4KIDS refuerza las palabras de vocabulario y la generalización y la socialización en los entornos de los niños.

Quién puede beneficiarse:

- ✓ Cualquier niño que tenga retraso en el habla
- ✓ Trastorno del espectro autista
- ✓ Síndrome de Down
- ✓ Discapacidades intelectuales
- ✓ Los estudiantes del idioma inglés
